

Kurt Guardia

Web Developer

Profile

I'm an active, dynamica and committed person. I've reinvented myself as a JavaScript Developer with comercial studies, sales and marketing experience, now focused on elegant front-end solutions in the least amount of time. I'm looking for growth oportunities to try new technologies and expand my technical skills in a team-based enviroment.

Experience

Phi - Desarrollo Web, Spain.

January 2020 - Present

This is my personal entrepreneurship on web development, where I offer *freelance* in apps and web sites design and development.

Interactiva - DyM - Acotec - Datax, Bolivia
